## LOOKING AHEAD

APRIL 1: No School Easter Monday

APRIL 24 – No School

APRIL 15 – No School PL Day

Every year on 8 March, International Women's Day is celebrated around the world!

But why – you might ask – do we

have a day especially for women? Well, it's fair to say that throughout history, women haven't always received the fairest of treatment.

Women haven't always been able to work, vote, or been given the same rights as men.

So since the early 1900s, women around the world have celebrated an International Women's Day, campaigning for equal rights and shining a spotlight on brilliant women across the globe.

March 19th is just the start. We know how important reading is for children's intellectual and social development. We can all help children with their reading and the idea of marking one special day when we do that is just one part of a much bigger

strategy. By having readers from around the world, International Read to Me! Day aims to begin and then continue a conversation which reveals the barriers to reading which are faced in different countries and communities.

## A MESSAGE "From the Gym"

Mr. Dolliver, P.E. Teacher

MARCH brings...

### Basketball & Hockey

Three of our top basketball duos competed in a shooting 2 Ball championship at the Currie Center in February. Our teams played hard and proudly represented Montgomery Street showcasing their great basketball shooting skills. **Great job team!** We look forward to our next event, circulation ball, starting early in the Spring.

Our early morning **Rise and Shine** will continue for students in grades 3-5 on Wednesday mornings from 7:30-8:10am. If your Montgomery Street Student would like to participate, please drop them off at 7:30am and use the gym door entrance directly beside the main entrance to the school.
